LIMITED NEWS ON THE TASK FORCE TO CORRECT LTD BENEFITS

Several pilots have been informed that corrections to their LTD accounts are on hold as the recently established Delta Task Force completes a review of the D&S Plan benefit payments. Although it is frustrating to witness a lengthy delay in the correction of the Social Security offset, we applaud the formation of the Task Force to resolve problems in the payment of LTD benefits.

DDPSA has uncovered what we believe are additional errors which have resulted in the under payment of LTD benefits to certain pilots. More information on this issue will be sent in an email to DDPSA members in good standing.
