"HONORING and REMEMBERING" on this date, the service and sacrifice of 58,412, who lost their lives in Vietnam, as well as the 353,422 Wounded in Action and our 1,546 POWMIA's.

Prayers always Airborne for those who "left Vietnam, but Vietnam never left them," our Agent Orange and PTSD casualties, of this divisive but Noble Cause. To our "Band of Brothers and Sisters," who shall forever remain young and to their families where a hole was left in their heart!

"We shall not rest, until they are All Home!"
