HEALTH INSURANCE COVERAGE

If you would like us to bill your insurance company, we will do so as a courtesy to you. **Please notify us of both your primary and secondary insurance.** Any changes to your insurance coverage, including termination, must be brought to our attention. A change in insurance carriers will affect your benefits and payment schedules. Your therapist may be required to obtain pre-authorization for treatment services. If you fail to report any changes and insurance claims are subsequently declined for payment, you will be billed the regular session fee.

Initials

In the event my insurance should send a payment directly to me instead of Michele Winchester-Vega & Associates practice, I will endorse the check and immediately forward to the therapist along with an explanation of benefits (which reflects the dates of services rendered) If I am unable to provide an endorsed check, (if check is for multiple providers), I will send payment for the same amount as issued by my insurance company.

I would like Billing Coordinator to bill my insurance company and will provide all billing information by 1st session.

I have primary insurance with _____

I have secondary insurance with _____

CANCELLATION AND MISSED APPOINTMENTS

Please keep all your scheduled appointments so your counselor can monitor your progress and treatment. Sessions are 45 minutes, unless otherwise agreed upon. Your time has been reserved for you. **Due to the overwhelming need for patient appointments, please cancel at least 24 hours prior to your scheduled appointment, so that we may offer that time slot to other patients. Missed appointments and late cancellations (less than 24-hours notice) will be billed at \$75.00 out-of-pocket fee, as we are unable to bill your insurance for no shows.**

PLAN BENEFIT AND ELIGIBILITY

It is your responsibility to contact your insurance company to verify coverage and benefit eligibility for outpatient mental health treatment. You need to verify your percentage of payment per visit, any copayments, or deductibles and limits of visits per calendar or benefit year. If you are accessing out-of-network benefits, it is important to confirm that this benefit is available to you. **The practice will make every effort to collect payment from your insurance company. However, you are ultimately responsible for the amount due.**

Fees are based on professional services provided and the amount for time involved. Please feel free to discuss finances openly with therapists and/or my Billing Coordinator. When multiple services are provided, fees for each service will be itemized (i.e., telephone sessions, preparation of special forms, reports, court time, etc.) The fee for these services should be discussed with us at the time of request, as some will not be covered by insurance.

All co-payments, and deductibles are due for services at the time of the visit. Insurance contracts restrict us from waiving copayments. We offer debit and credit card processing, and payment by personal checks as a courtesy to you. If a check is returned for insufficient funds, you will be charged the bank fee in addition to the amount of the check. If insurance benefits pay you directly, you must forward these checks to our office.

After the insurance company has paid their portion of your claim, should your financial responsibility be unpaid after 90 days (unless other financial arrangements have been made) the account will be turned over to a collection agency. Collection agencies charge 33% of the unpaid bill. Should these additional costs be incurred, you will be responsible for them in addition to any unpaid balance.

I authorize the release of any medical information necessary to my insurance carrier to process claims. I permit a copy of this authorization to be used in place of the original. I hereby authorize Michele Winchester-Vega, DSW, LCSW-R and Associates to bill and correspond with my insurance for services rendered. I request that payment from my insurance company be made directly to Dr. Michele Winchester-Vega & Associates. I certify that the information I have reported with regard to my insurance coverage is correct. I understand **that if I fail to** report any changes to my insurance coverage, including termination, I will be responsible for any unpaid balances on my account.

Please sign below indicating that you have reviewed and understand these guidelines. A copy of these procedures will be provided to you upon request.

Scores of 5, 10, and 15 are taken as the cut-off points for mild, moderate and severe anxiety, respectively. When used as a screening tool, further evaluation is recommended when the score is 10 or greater.

Using the threshold score of 10, the GAD-7 has a sensitivity of 89% and a specificity of 82% for GAD. It is moderately good at screening three other common anxiety disorders - panic disorder (sensitivity 74%, specificity 81%), social anxiety disorder (sensitivity 72%, specificity 80%) and post-traumatic stress disorder (sensitivity 66%, specificity 81%).
