What does it take to get a construction industry college internship with **Barton Malow**? Here's what we look for:

- Enrollment in Construction Management, Architectural, Civil or related degree program.
- We want students who are serious about their education and look for a GPA of 3.0 or higher.
- Interest in pursuing a career in the construction industry.
- Initiative. We want to see involvement in student organizations and leadership among peers.
- Flexible, we're looking for students willing to go where the opportunities are!

Through the LEAPS program, Barton Malow has a history of making our students employable. Students who perform well are invited back to the program and continue to build their careers.
