TODDLER – MIDDLE SCHOOL

2019–2020

*Our Mission Is To Be A Vibrant Montessori Community That Engages
Children To Thrive In Our Changing World.*

Montessori Academy is one of the leading Montessori schools in the nation. Accreditation is an important assurance of a quality education and an authentic Montessori environment. Accreditation with the American Montessori Society (AMS) and AdvancEd (formerly known as SACS CASI) is a high priority. With 1,300 member schools, the American Montessori Society includes 163 schools that are fully accredited with AMS, approximately 29 of these schools are also accredited by AdvancEd. Montessori Academy is the only Montessori school in Middle Tennessee that is accredited by the AMS and AdvancEd; it is one of two Montessori schools in Tennessee accredited by both the AMS and AdvancEd. Montessori Academy is the academic leader in the Middle Tennessee region in Montessori education and is a not-for-profit family-operated school.

Montessori Academy's historical roots began at the first Montessori school in Nashville, when the founder, Mrs. Eileen Bernstorf, assisted a neighbor in starting Montessori Centre in 1967. In 1985, she began Montessori Academy on the current 24-acre wooded campus. The first of five buildings was completed in 1986 and now with over 50,000 square feet under roof, Montessori Academy offers an excellent educational experience for Toddler (18 months - 36 months), Primary (ages 3-6), Lower Elementary (ages 6-9), and Upper Elementary/Middle School (ages 9-15) students. In fall 2019 MA will include 9th and 10th high school curricular offerings.

“It is true that we cannot make a genius. We can only give to each child the chance to fulfill his potential possibilities.” - Maria Montessori

Montessori Academy's faculty and administration are committed to uncompromising standards of academic excellence, and to preparing students to be future leaders. The focus on executive functions are a natural outcome of Dr. Montessori's philosophy and passion for precision, love of order, pride in accomplishment, and respect. Teachers strive to incorporate these critical skills into each child's daily activities to become the foundation for successful living. Additionally, Montessori Academy provides students with a strong sense of belonging in a safe and protected community. Maintaining the dual accreditation demonstrates our commitment to academic excellence and our commitment to your child.

Montessori Academy is recognized by AdvancED and the AMS as an authentic Montessori school where academic excellence is a high priority and students excel in the exceptional educational environment.

Application & Enrollment Procedures

A Campus Tour by parents is the first step of the Admission Process. Application may then be made by submitting a completed application form and the application fee. Each age level has the following specific requirements before a student may enroll:

Toddler (18 months – 36 months) – Parents must complete an application and questionnaire. Your child will then be placed in our wait pool. Because we seek balanced classrooms in both age and gender, we have a "wait pool" rather than a conventional wait list. When a possible space opens for your child, an interview and classroom visit will be scheduled, and the parents will be interviewed by the Director. If the classroom interview goes well and the Director decides that the family is a good fit for Montessori Academy, parents will be notified by email of acceptance. Payment of the registration fee at that time will reserve your child's space. Parents must submit the Tennessee School Immunization Certificate, which may be obtained from your pediatrician.

Primary (3 – 6 years of age) - Parents must complete an application and questionnaire. Your child will then be placed in our wait pool. Because we seek balanced classrooms in both age and gender, we have a "wait pool" rather than a conventional wait list. When a possible space opens for your child, an interview and classroom visit will be scheduled, and the parents will be interviewed by the Director. If the classroom interview goes well and the Director decides that the family is a good fit for Montessori Academy, parents will be notified by email of acceptance. Payment of the registration fee at that time will reserve your child's space. Parents must submit the Tennessee School Immunization Certificate, which may be obtained from your pediatrician.

Lower Elementary / Upper Elementary / Middle School (6 – 15 years, 1st – 8th levels) - A two-day interview/visit for your child in the classroom will be scheduled. On the close of the second day of your child's visit, an administrator will speak with the parents at 3:15 p.m. in the office. Final acceptance is contingent upon evaluations of: (1) a successful interview and visit, (2) the candidate's transcripts, and (3) the assessment forms completed by former teachers. Parents must submit the Tennessee School Immunization Certificate, which may be obtained from your pediatrician.
