

Education September 2024

Everyone is back in school in one way or another. Each month I will focus on one of the areas mentioned in the National Plan of Action. This month: **Build a relationship with your local schools - focus attention on "Give 10 to Education," American Education Week and Teacher Appreciation Week.**

The "Give 10 to Education" program is designed to allow our members to support education from different angles. Let's try for 100% participation, because this project can allow all members, juniors included, to participate. Here's how it works!
Determine what type of activity in which you would like to participate. Here are some suggestions:

1. Donate 10 minutes/hours/days of your time to volunteer in a classroom.
2. Assist with or donate 10 items to a backpack program held at many schools.
3. Donate 10 boxes of pencils or crayons to a classroom or school.
4. Provide a \$10 donation to a school library.
5. Help a teacher on the playground for 10 minutes.
6. Donate 10 flags and discuss the importance of the flag to a class.
7. Donate 10 pairs of shoes or socks to a kindergarten class.
8. Give 10 dictionaries to third grade students.
9. Support a scholarship fund (including National Scholarships) by donating \$10.

American Education Week is November 18-22, 2024. Visit the schools to promote the Auxiliary scholarships. Send a card to all local school staff, including all school personnel who children interact with, teachers, office staff, bus drivers, custodians, etc.

Promote Teacher Appreciation Week, May 4-10, 2024. Send cards to your local schools' teachers. Donate resources that teachers or needy children may need. Plan teacher appreciation events at your schools.

I'm looking forward to hearing about the creative ways in which your Units and Members promote the Education Program.
