Fax: 916.259.2511

Dear Valued Client,

Our clinic offers several different ways to stay in contact with you regarding your appointments with us here at Clinical Massage Therapy. One of those ways is be SMS reminders the day before your appointment.

Due to stricter rules enforced by the Telephone Consumer Protection Act ("TCPA"), we must now receive written consent from all of our clients to continue or start using the text messaging feature through our scheduling program.

If you choose to continue with this feature, or wish to start receiving SMS reminders, please fill out your information below and sign. A copy of this form will go into your chart.

My staff and I would like to thank you for your continued trust and loyalty.

Warm Regards,

Carmen A. Pagett

By signing below you are agreeing to receive automated text message reminders from Clinical Massage Therapy, and understand that standard messaging rates may apply.
