

DeKalb County Commission
Press Release
2-21-2017

The DeKalb County Commission has received numerous complaints in regard to television reception. The complaints began after the completion of the Osborn Wind Tower Project.

If you have reception difficulty contact NextEra Osborn Wind Energy at 1-855-552-9872. They are compiling a list of complaints.

Presiding Commissioner
Harold Allison

West District
Kyle White

East District
