

MARCH 2026

CARLENE - USING HER IPHONE

WRVM is such a blessing in my life. I love all the morning programs. I have grown in knowledge of the Bible from Chuck Swindoll, John MacArthur, J.Vernon McGee and also David Jeremiah at 7:00p.m. Mike Cornell mentioned that if everyone that listens would give \$5.00, the station would have plenty for expenses. I have begun sending \$25.00 per month as I know some folks aren't able to give. I miss Focus on the Family but listen online to it via a podcast. I know Mike is retiring and will miss him immensely but also looking forward to Brett taking his position. Brett is so likeable, knowledgeable and professional. God bless him and Mike on their journey with God.

RICK - EMAILED

With Mike retiring, I just want to say what a blessing his ministry has been, all these years, to so many of us, and how greatly God has used him in managing and expanding the reach of the radio station for the kingdom of God. When we each start out in ministry, we wonder how God is going to use our lives for His work. God has certainly blessed Mike Cornell in tremendous ways, far beyond what would have been expected through one small radio station, situated in a small town in northeast Wisconsin. Thank you Mike for all your labors all these years. Many blessings to you in your retirement. Also I love Alistair Begg but since you moved him to 12:30 I don't get to hear him anymore.

MARGARET - ALGOMA.

Dear WRVM, The question I've asked myself many times is 'what will WRVM be like when Mike retires?' I was surprised to hear it will be soon! I assumed and hoped he would be there for a long time. I will miss him but after hearing Brett, I know WRVM is in good hands.

MICHAEL - MERRILL

Happy letter month, everybody! Where to start. I was saved listening to Unshackled at night coming home from work. So the station is very important to me! And I bet to others as well. It truly is the voice of the Master. I like having Alistair Begg at 12:30 PM. Works better for me! And as an old guy, I have learned a lot during Saturday morning kids programs and Sugar Creek Gang and of course Adventures in Odyssey. I love John MacArthur and Thru the Bible too. Great music and air personalities.

Happy Letter Month....We so appreciate your radio station and ALL it has to offer. We listen to you daily at home and in our car. Our favorites? Saturdays. Janet. The teaching of the Word. Family Life. Sorry to hear that Mike's knee surgery was postponed again. Wonder why God changed that on your schedule? I'm sure it was for a good reason. Keep up the good work.

IRENE - EMAIL

All too often letter months go by way of "I'll get it later". So, today I'm dropping everything else until this letter is written. There are so many blessings to be found in the programming of WRVM. WRVM has been an encouragement when things have been hard, times of rejoicing as we see how the Lord has been working in the lives of others as well as our own. And a reminder of God's love when we feel oh! So alone. The Music has at times moved us to the depths of our hearts and lifted us to joyous "halleluiahs". We're at times led to quiet contemplation or childlike times like kids radio programming and the song that goes something like God talking to boys when they go fishing and "If I Were a Butterfly". May God's blessings remain with WRVM and all the staff there keeping it going. I see God using you. Thank you for all you do.

SCOTT – EMAIL

We are regular supporters, but this is my first letter. We appreciate so much of what you put on the air. I enjoy Chuck Swindoll in the morning as I prepare to go to work. On a lighter note let's talk about music. Stuart Briscoe was once asked what the philosophy of music was at his church. He replied, "We try to have something to offend everyone ". In that respect you have succeeded. If I don't hear a screeching trumpet again until the final trumpet that would be fine. That being said, it is a small thing compared to the great value of everything else you do. Blessings on you all.

BOB – EMAILED

I love your station and listen to it all day long on 88.1 and 107.1. I live stream it on my phone. I really love all your programming. When I live stream the station on my phone there is a rolling news update at the bottom of my screen that you must not be aware of and may not have any control over. It is very liberal and anti-conservative and really does not fit at all with the image that I believe WRVM is trying to maintain. Can you make it go away? Again, I love your station and plan and hope to listen to it for many years to come.

BILL & DONNA - DOOR COUNTY

Dear WRVM staff and listeners,
it is always a pleasure to write to you, especially during Letter Month. I have been a regular daily listener, in Door County, for quite a few years now and I have you tuned in to my many radios and several different Apps. The WRVM App is the best of the apps now. Thank you Brett for your hard work in that department as well as everything else you do to keep the station up to date and operating smoothly. Congratulations on your promotion, I am glad the station was able to promote from within. We will surely miss Mike and I am hoping he doesn't wander too far away. (Once he finally gets his knee fixed and is able to wander) I love all of you there and your different personalities. Even though you can't hear me, I am always talking to you when I hear you on the air. I laugh with you, I pray for you, and offer words of encouragement and maybe some off the wall comments. This includes you too, Jayne. I am glad to be able to play a small part in the WRVM ministry by donating regularly to help keep and increase The Word and the music of the Lord to any and all who will be reached by WRVM.
In a nutshell, I love helping you to spread The Good News of Jesus Christ to all! And I pray for your continued success and for more people to donate as they can to the WRVM ministry.
Thanks again for keeping our lamps filled and wicks trimmed for His return,

RENEE - CRIVITZ, WI

Dear WRVM.
I needed to write to say just how much you mean to me. Your station is on from the moment I wake up. You are my alarm clock in the morning, and you are the last thing I hear when I fall asleep, at night. I love listening to all of your programs. I'm in my 60's, but I still love listening to all the children's programs, something I started with my children nearly 40 years ago. That helps with my memories. You see, your ministry got me thru the dark days 22 years ago when my husband suddenly died in a car accident we were in, in central Wisconsin. That accident caused me to forget, my memories of my children when they were little, and much of my early life.
It never fails, that at just the right moment, when I feel anxious and struggle with now, some short-term memory loss, you play a song or a program that I needed right then and there.
May God bless all of you, for all that you do.

DARRELL - DULUTH. MN

What a blessing to have you in my area. Your song/artist selection was virtually unheard here. May God continue to bless your radio ministry?

=====

MAUREEN – LETTER

I love listening to Alistair Begg and glean wisdom from Faith & Finances. I'm greatly challenged by In the Market with Janet Parshall and quietly entertained as night steels by the Family Hour. All of these programs I have sponsored at some level, but realized I was overlooking you, the radio platform that carries this all to me. Please explain if there is any advantage to the radio station when a program is supported, or if your support comes just from direct donations to you.

SUE – EMAIL

Greetings Mike & Brett!! My friend Kris and I were texting Monday and we praised The Lord for getting Brett into the station and enabling him to do Song Requests! When I heard Ken's voice after 1:00 from his "blizzard bunker" in Marinette, Kris and I were back at texting again and praising The Lord for the technology He's allowed you all to accomplish this remote work! Kris then asked how in the world this is possible. Perhaps the two of you could do a Manager's Desk and share with all your listeners the marvels of remote radio broadcasting. Keep up the amazing work and thanks to everyone involved for being such an outstanding team serving our Lord, and us!

SHEILA - EMAIL

Thanks for all you do to share the love of God. I love the beautiful music you play every day and especially around Easter, Fourth of July, Thanksgiving and Christmas. I just did your bus trip to Branson Missouri. What a beautiful bus trip! It helped to recharge me physically, mentally, emotionally and spiritually plus meet great people! Thank you for all that you do!!!

DEBBIE – POUND, WI

Dear WRVM,

I'm writing sooner this month because there's no reason to put it off. I totally love your station, so thankful for the programs; Haven Today, Family Life, Nancy with Revive Our Hearts, Turning Point, Insight for Living and Janet Parshall's In the Market. I really enjoy the music and am very happy for the afternoon hours of 1-4pm. Congratulations Brett Gibson on taking on the General Managers position. I will miss Mike Cornell's voice very much. He has done an outstanding job over the years. God Bless you all as you continue to do God's work. Enclosed is a small gift.

BILL & DONNA – STURGEON BAY

Dear WRVM, my all-time favorite radio station. Just a note to let you know my opinions and feelings about the programs and programming. Not a day goes by that I am not listening all or most of the day and night. I do like the recent program changes and I prefer hearing more music in place of Focus on the Family. I also appreciate the mix of Christian music played. Overall, I love WRVM and all of the staff and I appreciate all you do to keep me focused on the Lord and loving each other no matter what.

I heard the song alert part of the app mentioned on the Manager's Desk segment and it gave me an idea. Since I enjoy almost all the music on WRVM, I could use the song alert to warn me of the few songs or artists that I don't want to hear. But I mostly listen via a radio.

TERRY & NANCY – DEERBROOK

We've recently enjoyed hearing Mike & Brett tag-teaming the Manager's desk. Would also like to wish Mike a successful surgery and a swift recovery from knee surgery. We're praying for you Mike! Last but not least, a special shout out to Butch & Jean Kostreva for lovingly leading us during the recent bus trip to Branson.
