

Residential Construction Estimator

Garden Design, Inc. is seeking an energetic Residential Construction Estimator to join our employee-owned team. This position requires you to work directly with designers, salespeople, project managers, home builders, homeowners and subcontractors to generate estimates for multiple projects in a fast-paced environment.

Primary Duties & Responsibilities:

- Represent the company daily to our clients.
- Work with landscape designers and sales to ensure design intent is correctly conveyed to subcontractors for bid solicitation
- Work with designers and sales to develop and manage estimating backlog schedule to ensure timely turnaround of all design sales.
- Coordinate between multiple trades, assembling and gathering firm bids for various types of work, and organizing for accurate project costing information.
- Responsible for ensuring that all construction and install projects are bid within the established profit margin minimums.
- Maintain and improve long-term relationships with both internal and external clients.
- Representing the company, interfacing and building relationships with clients.

Education, Experience & Requirements:

- Minimum of 5 years of experience in landscape / construction industry with extensive field/build/estimating experience.
- Proficient with computers and technology including Microsoft Office, tablets and smart devices.
- Ability to read plans and layout projects.
- Strong communication skills that allow you to communicate effectively with builders, homeowners and subcontractors.
- Ability to prioritize and multi-task in a fast paced environment while operating with a high sense of urgency.
- Strong work ethic.
- Effective oral and written communication skills.
- Bi-lingual in English and Spanish is a plus.
- Know how to be a team player.

Garden Design Offers:

- Competitive Compensation Package
- Flex-Schedule
- Employee Ownership (100% ESOP)
- Paid Holidays
- Paid PTO
- Profit Sharing Program
- 401K
- Health and Dental Insurance
- Ability to Advance Career within Our organization
