

WEEK 1 OF TEAM TENNIS

MEDIA FLASH

On June 14, 2017, the Active Aces Super Senior Tennis Club kicked off its sixth annual Team Tennis season at Fort Lincoln Park. Four 11-player teams comprised of current AASSTC members, returning non-members and several new friends are competing over the six-week season, which runs on Wednesdays through July 19. Match play begins at 9:30 a.m. Players were assigned to teams through random draw and team names and colors remain the same as last year:

- Team 1 Hot Action (red/white)
- Team 2 The Players (yellow/white)
- Team 3 The Strikers (black/white)
- Team 4 The Forthcoming (blue/white)

Opening day saw high-spirited, intense competition on the court as players were cheered on by their teammates and many spectators. First round match results were as follows:

The Players – Team 2	24 points
The Forthcoming – Team 4	21 points
The Strikers - Team 3	15 points
Hot Action - Team 1	9 points

Special thanks to Ms. Otelia Redman and Ms. Juanita Harris for serving as Team Tennis Coordinator and Team Tennis Facilitator. We deeply appreciate all that you both do to ensure a well-organized, enjoyable event.

The Media Committee will be posting Team scores and fun photos to the club website each week. We encourage you to visit www.aasstc.org to keep up with Team scores and view photos of the on-court action as the season progresses.
