WDA and West Region: There is a difference

One of the misunderstandings is the Western Dakota Association (WDA) and West Region are one in the same.

Well, yes and no.

The WDA is the conference which now includes 11 full members and two associate members. The WDA awards championships in a number of team sports, based on finish in the regular season standings, or at a designated event, such as the WDA swimming-diving championships. The West Region is the name of the postseason tournament administered by the NDHSAA in such sports as basketball, volleyball, wrestling and hockey. Although these tournaments feature WDA participants, it is not a conference event, but rather, sponsored by the NDHSAA. The winners are classified as a NDHSAA region champion.

Some team sports don't compile standings, for example, track and field. In this instance, the winner of the West Region Meet is deemed both a region and WDA champion.

The Western Dakota Association (WDA) has the distinction of being North Dakota's oldest Class A high school athletic conference – and its most successful. Now in its 83rd year, the conference has produced over 400 state team championships and numerous individual titles sponsored through the North Dakota High School Activities Association (NDHSAA).

The WDA was established in 1938 by five schools – Bismarck (Central) High, Dickinson (Central), Mandan, Minot and Williston. Since then, the WDA has expanded its membership and the number of sponsored sports/activities. Today, the five charter schools along with St. Mary's of Bismarck, Jamestown, Bismarck Century, Turtle Mountain Community High School of Belcourt, Bismarck Legacy and Watford City give the conference 11 members. Bottineau-Rugby and Hazen-Beulah are presently associate members, participating in boys' hockey.

The conference sponsors team championships in boys and girls sports administered by the NDHSAA. Football was the first sport the WDA awarded a regular season champion. Today, there are 22 sports conducted over three sports seasons. The fall season includes: football, volleyball, cross country (Boys/Girls), soccer (B), swimming and diving (G), tennis (B) and golf (G). The winter season: basketball (B/G), wrestling, hockey (B/G), gymnastics and swimming and diving (B). The spring season: track (B/G), baseball, softball, golf (B), tennis (G), soccer (G). In addition to annual team and individual conference awards, the WDA recognizes outstanding academic achievement through team and individual scholar athlete awards and scholarship. The conference celebrated its 75th anniversary in 2013-14.

Formation and expansion

In the late 1930s, North Dakota's largest high schools, determined by enrollment, were part of an East-West Class A Conference recognized by the High School League (later to be renamed the NDHSAA). To keep travel costs to a minimum, and mainly out of convenience, schools would schedule football games against schools in their immediate area.

Unfortunately, schools based in far western N.D. had a more difficult time filling their schedules since they had fewer programs of comparable size around them. These schools often would resort to playing teams from neighboring Montana. To remedy this problem and create continuity in football scheduling, five schools – Bismarck (Central) High, Dickinson (Central), Mandan, Minot and Williston – agreed to form a western division within the Class A East-West Conference. And with that, the Western Dakota Association was created in 1938.

The look of the conference has changed over its seven-plus decades of existence. It expanded from its original five schools to eight in 1944 when St. Mary's of Bismarck, St. Leo's of Minot (later to be known as Bishop Ryan) and Jamestown joined. St. Leo's initial stay was brief, however. After one season it left the conference to compete against smaller schools in its region. St. Leo's returned for two football seasons in 1952-53. In 1954, Rugby was admitted and participated in the football conference.

A significant change happened in the spring of 1960. Class A schools agreed to dissolve the current East-West Division format used in such sports as football and basketball.

At a meeting in Jamestown in April, representatives from 10 schools agreed to expand the WDA's oversight in other sports and activities. The 10 schools were: Bismarck, Bismarck St. Mary's, Dickinson, Jamestown, Mandan, Minot, Williston along with Minot Bishop Ryan, Harvey and Rugby. As part of the association, schools agreed to play a round robin schedule of games, beginning in 1961. Rugby, Harvey and Minot Bishop Ryan, however, opted not to field a team for football, so the number of WDA football participants was seven. And speaking of football, the most significant change to come out of the decision to do away with the Class A East-West Divisions was the discontinuation of the end-of-season title football game between the winner of the East Division and WDA (West Division). That decision was not unanimous. A majority of coaches and school officials in western N.D. wanted the game to continue to assure an annual champion in the sport. Opponents, schools in the East, pointed to weather and distance of travel as factors in opposing the late-season contest.

Jamestown departed the WDA in 1963 and competed as a Class A independent before becoming a charter member of the Eastern Dakota Conference in 1968. Minot Bishop Ryan rejoined the conference as full members in 1964. Rugby and Harvey left the conference in the mid-1960s. Dickinson Trinity was added in 1969 as a football member and eventually became a full member.

Membership remained at eight until Bismarck Century opened in 1975. With the exception of its tennis program, Minot Ryan would leave the conference in 1977 and participate as a Class A independent before joining the North Star Conference in 1980. Four associate members – Bottineau, Devils Lake, Jamestown and Park River – were added to the conference in boys hockey, beginning in 1980 when the NDHSAA established a West and East region for the sport. Park River would leave after just two seasons and eventually co-op with neighboring Grafton. Bottineau, Harvey and Turtle Mountain Community High School (Belcourt) would compete as associate members in girls volleyball, beginning in 1982. Also that year, Minot Bishop Ryan's gymnastics program competed in the WDA.

TMCHS would join as a full member in the fall of 1990 after the Class A North Star Conference disbanded following the spring of that year. Its football program would play in the conference from 1993-96.

In 1990, Minot Ryan would return to the WDA except for football, which would remain independent. Minot Ryan and Dickinson Trinity left following the 1991 sports

season to compete in Class B in all sports except tennis, which would remain part of the WDA.

In 1992, Hazen-Beulah was added as an associate member in hockey. Center would participate in boys swimming and diving as an associate member, starting with the 1993-94 season. Jamestown's soccer programs competed as an associate member, beginning in 1995. The Blue Jays hockey program moved to the EDC/East Region in 1996. The school was already competing in the EDC/East Region for most activities. Dickinson Trinity would no longer participate as a full member in tennis after 1996. Instead, the school would co-op with Dickinson.

In 1997, Jamestown would return to the WDA as a football member as part of the restructuring of the sport by the NDHSAA into four classes. Center would leave the conference in 1999 as an associate member in boys swimming/diving. Beulah joined the WDA in a few fall sports in 1998 and then joined as full members 1999. Rising student enrollment forced the school to move up from Class B. Beulah would return to Class B competition in the fall of 2006.

In 2006, under a directive by the NDHSAA, Jamestown was realigned in the West Region for all activities, and thus rejoined the WDA. Devils Lake-Cando, an associate member in boys hockey, would move to the EDC/East Region, starting in 2006. Jamestown's football program would return to the EDC for one season in 2009 to create balance among the two AAA football leagues. The Blue Jays would return to the WDA in 2010 after Fargo Davies opened and began play in the EDC. Minot Bishop Ryan would play its final seasons as an independent tennis program in 2009-10. The Lions would eventually enter a co-op with Minot. Bishop Ryan would join the WDA as an associate member in girls softball in 2009. The Lions would move to Class B softball in 2018. Bismarck Legacy joined the conference in 2014 and quickly enjoyed success in a number of sports. In the fall of 2018, Watford City joined as a full WDA member.

The Wolves previously competed in Class B and have a storied football program. Rising population in Western N.D. has meant increased student enrollment in many places, including Watford City.

COVID-19

In the late winter of 2020, the COVID-19 pandemic reached the United States. In response to the rising threat of infection, a national emergency declaration was called. Schools and several businesses were forced to shutdown to slow the spread of the virus. As a result, the remaining winter sports postseason tournaments, including the remainder of the Class A basketball tournament was suspended and eventually canceled. The NDHSAA also suspended and canceled the remaining fine arts competitions for winter and early spring. And finally, in May, NDHSAA officials canceled the spring sports season. COVID also forced schools officials to make changes to the 2020-21 season to safeguard athletes, coaches and game officials as well as lower COVID risks. Conference-only play was implemented in many activities and some region and state tournament formats were modified to limit crowds and the spread of the virus.

Sports offerings increase

Membership in the WDA is not the only thing that has expanded in 75 years. The evolution of high school athletics/activities has changed the dynamics of the conference as well. Football and boys basketball were the two competitive sports sponsored in the formative years of high school athletics in the state, but wrestling, track and field, tennis, cross country, golf and hockey would come along. Many schools had established girls sports on a recreational or intramural level by the 1960s, but girls sports would make significant advancement in the decade with the inclusion of track and field, golf, tennis and gymnastics as NDHSAA-sponsored activities.

The 1970s brought additional sports under NDHSAA control, including boys and girls swimming and diving, girls basketball and girls cross country. Beginning in 1982, Class A volleyball would officially be sponsored at the regional level, and a year later, at the state tournament level.

Several schools across the state began boys soccer programs in the late 1980s. The NDHSAA would eventually sponsor the sport in 1995. Girls soccer would also be offered. Baseball, which already was an established Class B sport, would get NDHSAA sponsorship at the Class A level by 2000. The start of a new millennium brought continued advancement in girls sports. Hockey was added in 2002 and softball began play in the spring of 2010. Today, there are 22 sports featured – an equal split between boys and girls. WDA athletes have moved on to compete at the highest levels of collegiate athletics in their respective sports and several have even reached the professional level, further demonstrating the conference's excellence. Several coaches have also achieved significant milestones as well.

More changes

Over the years changes have also come in the form of new rules, regulations and standards of play directed by the National High School Federation and NDHSAA. Technological advancements and improvements in equipment have enhanced competition and player safety. Other important changes have included greater emphasis on the safety of participants and proper training methods. Coaching development programs have been established and attention given to promoting the practice of good sportsmanship by athletes, coaches and spectators. Throughout its rich history, the WDA has demonstrated success in high school extracurricular activities can be built on a foundation of character, values and academics.

Bismarck Legacy, Jamestown and Mandan all finished with 3 conference losses upon completion of regular season play, so it was decided that head-to-head play/records among those teams would be the first tie-break to determine playoff seedings, since winning percentage could not be used because Jamestown played one less game. Point differential among those teams was the second tie-break criteria. A maximum of 17 points (+/-) is used as point differential as set forth by the NDHSAA.

^^Mandan won tie-break over Jamestown and Legacy based on point differential among the teams.

^Jamestown won tie-break over Legacy based on head-to-head record

Jamestown's Sept. 25 game vs. Williston was canceled due to a COVID-19 positive test by Williston

SEASON NOTES

*This was the 82nd season of WDA/West Region play.

*Century posted back-to-back undefeated seasons and captured its fourth title.

Century won its 10th WDA crown. The Patriots have played in the title game in

five of the past six seasons.

*Century and WF Sheyenne played in the AAA Dakota Bowl for a second straight

season. Century shutout the Mustangs in both games (10-0 and 34-0). The last

time two teams met in the title game in successive years was 2011-12 Bismarck

High defeated Century in 2011 (21-3) and 2012 (21-0).

*Due to the COVID-19 pandemic, regular season play in AAA was confined to only

conference games. Attendance at games was limited.

*Bismarck Legacy and Bismarck Century opened its season playing a live nationally

televised game on ESPN2 on Aug. 29. It marked first time that a North Dakota

high school football game was televised nationally. Century won, 39-27.

*Century, Bismarck High, Mandan and Jamestown qualified for the AAA playoffs.

*Bismarck Legacy, Jamestown and Mandan all finished with three AAA confer-

ence losses upon completion of regular season play, so it was decided that head-

to-head play/records among those teams would be the first tie-break to

determine playoff seedings, since winning percentage could not be used because

Jamestown played one less game. Jamestown's game with Williston was not

played due to a COVID-19 positive case with Williston. As a result, Mandan and

Jamestown won tie-breaks over Legacy.

*Jamestown's AAA quarterfinal game scheduled at WF Sheyenne was not played

due to COVID-19 positive cases with Jamestown. Therefore, Sheyenne advanced

to the playoffs by way of a COVID forfeit.

*Jamestown's playoff berth was its first in AAA since 2013.

*Century has won 32 of its last 35 games, including its last 22 contests.

*Bismarck High has reached the postseason in each of the past 31 seasons.

*Century's Andrew Leingang was named AAA state senior athlete of the year.

*Century's Ron Wingenbach was name state AAA coach of the year.

*BHS' Isaiah Huus led the WDA in rushing, 1281 yards and 21 TD. Jayce Lowman

of Mandan was the top quarterback, throwing for 1502 yards (102-174-6) and 15

TD. Nick Kupfer of Legacy was the top receiver, 665 yards on 32 catches and 8

TDs.

*St. Mary's won its fifth AA state title since 2013. The Saints posted an unde-

feated season for the third time since joining the AA class.

*TMCHS Belcourt did not participate in the season due to the COVID-19 pan-

demic.

*Watford City reached the AA postseason for the first time since 2017.

*St. Mary's Cullen Curl was named AA region and state senior athlete of the year.

*St. Mary's Dan Smrekar was named AA coach of the year.

WDA SENIOR SCHOLAR AWARD PROGRAM

Since 2009, the Western Dakota Association has recognized one boy and girl student-athlete annually through its WDA Senior Scholar Award.

The award, which is linked to the North Dakota Interscholastic Athletic Administrators Association (NDIAAA) scholarship program, is open to all conference members.

Each member school can submit a completed application for one boy and one girl student-athlete to be considered for the WDA's \$500 scholarship award. The WDA is proud to have its, premiere partner, Farmers Union Insurance, a contributor to this project.

The conference activities directors review the applications and select the recipients which are announced in March. The winners join the other region scholarship recipients from the state who are then eligible for the state NDIAAA scholarship. The applications for the state winners are forwarded to a review panel at the sectional level. Sectional winners then qualify for the national award. The scholarships are paid directly to the higher education institution in which the recipient will attend.
