Please think of this Cottage as your Grandma's home. This century home has been remodded many times. Most recently it has new carpeting in the upstairs bedroom, new downstairs toilet, new dishwasher, and many new beds. The common issues of the home; downstairs pipes sweat in bathroom if humid, older carpeting, and stained panaling in places. If you need something, use something. If you have something leave something. (Like extra laundry soap :) The next closest house is almost a mile away. The Pro Shop & Restaurant is just steps away. There is a very large pond a short walk away. There is a lot of room in the front of the house and the back of the house. The entire house is surrounded by big Maple trees that keep the house cool in the summer.

There is no central air conditioning, but there is 2 window air conditioning units. In Silver Lake there is usually is a strong breeze coming from Lake Mi. It's because the Silver Lake Area is set 2 miles out into Lake Michigan, so remember to bring an extra sweatshirt. There is also a few window fans in the house if you would prefer. Place these in the windows to bring the cooler night air in.

There is not beach towels, or bath towels supplied. There is kitchen towels. There is a private paved drive for you on the south side of the house. Please use these spaces for your family. Any repairs to vehicles must be on this pavement. The back yard & front yard is the best places for children to play. Please use golf etiquette with noise for the happiness of all guests at Golden Sands. (Revvng engines lots & loud music is not good etiquette :) There are games located at the Bucket Bar. Please have adult supervision when playing on games and golf course amenities such as Driving Range, Putting Green, and Golf Course.

When golfing & dining at Golden Sands, all alcoholic beverages must be purchased at Golden Sands. You may bring your own cocktails if they remain in the Cottage or the back yard.

Your Free Golf may be used all at once, or spread out during your stay. There is a driving range, practice putting green, as well as the 9 hole golf course. Golf carts are available to be used on the golf course for an additional fee.

Please place all dirty sheets by the washing machine before check out. Clean out refrigerator, place garbage in the garbage bins at the end of the parking lot of Golden Sands, run dishwasher for dirty dishes, and take time to leave the cottage as nice as you found it.
