St. John's School Update

St. John's School enrollment stands at 53 students for this Fall. We're offering both in-person and virtual classroom options for our students. To help our school grow, I need you to spread the word to more families.

I would like to see our enrollment hit 80 students.

We have until the first day of school, which is Monday, August 24th. All families need to do is come into the school office and fill out the registration packet. They will receive a scholarship for the 2020-2021 school year.

For more information please contact our school office at 608-713-1400 or email me at king@luminschools.org. Thank you for lending your voice, and spreading the word about our school program. -Principal Isiah King

The Office Phone

We've had some challenges with finding a way to keep the church office phone attended in a manner that best serves the needs of the congregation. Maintaining a line for voice mail with our current service was cost prohibitive, and varying combinations of phones and answering machines proved futile, as something in building's lines blocks those systems. (Believe us...we've tried everything.)

To best serve you, we have chosen when the office is "unmanned" to forward calls directly to Pastor Roser's cell. If you need to talk to Berta, she is usually in the office Monday, Wednesday, and Friday of each week from 9:00 am (give or take) until at least 1:00 pm (often later.) Her schedule is sometimes a little fluid, but those are the usual office hours. If she doesn't pick up right away, try again in a few minutes, or if it is something which needs immediate attention, you may contact her at (314)-775-7372.

Win Delicious Culver's Food!

We have a number of avenues we use to keep you apprised of the opportunities and events here at St. John's: The monthly Messenger, the weekly Communicator, the Facebook page, the Web page, the Sunday Bulletin, and (first and foremost) the Worship service. Many times we will repeat the information in more than one of the venues in an effort to make sure the information is reaching everyone. We'd like to know the announcements we're providing are getting through and being remembered.

And so, the last weekend of the month, we'll have a list of four questions whose answers can be found in the one or more of the Messenger, Communicator, Sunday Bulletin, Facebook page, Web page, or during the Worship Service during the previous month. Submit the answers either in writing or by email to the church's Administrative Assistant by noon the following Friday, and a winner will be drawn from the entries with the correct answers. The winner gets a gift card for some delicious Culver's food!
