

# DANCE ENDEAVORS

IS A **TECH-ENABLED** STUDIO <sup>TM</sup>

All classes are offered in-studio and through distance learning with clear video and audio.

Dancers who need to stay home for any reason can stay involved by logging into class at home.

Parents can observe classes from anywhere through the live stream.

In this ever-changing situation, classes at DE remain consistent! We're ready to teach in-person, live-stream hybrid, or through full online distance learning.
