

Business Architecture Associates (BAA) announces its 2019 public training series in North America. BAA is pleased to offer five full days of training courses, available to the public as an à la carte offering or a 5-day package for individuals. Corporate packages are offered to groups up to three employees with the option to add additional attendees.

The certification bootcamp series includes the following core business architecture course offerings:

- Course 1 – **Business Architecture Immersion Workshop**
- Course 2 – **Building the Foundational Business Architecture**
- Course 3 – **Extending the Business Architecture**
- Course 4 – **Business Architecture / IT Architecture Alignment**
- Course 5 – **Establishing and Maturing a Business Architecture Practice**

2019 PUBLIC TRAINING LINEUP

SAN FRANCISCO, CALIFORNIA USA

April 29 – May 3, 2019

Training to be held at the MicroTek – San Francisco in the heart of the city, located blocks from the Bay, between the Financial District and Chinatown.

DALLAS, TEXAS USA

September 30 – October 4, 2019

Training to be held at the MicroTek – Dallas, a premier corporate training facility, conveniently located near shops and restaurants.

Single day and package options are available for individuals and companies. Five-day attendees will gain a solid understanding of business architecture and be prepared to sit for the Certified Business Architect® exam. Courses 1–5 are accredited under the Business Architecture Guild®, GATP® program. All courses are aligned to the BIZBOK® Guide.

New this year, BAA is pleased to present three **Live Online Training Courses**. This engaging format provides real-time, online lecture/presentation with live Q&A interaction, led by Business Architecture Associates' founders and principal instructors.
