

To Parents and Carers of Children in 4SC

20th September 2019

Dear Parents and Carers

Swimming 25th September

We have been advised that Moulton pool will again be closed on 25th September, so there will be no swimming next week. They hope it will be open again by the following week. We will make arrangements for the children to make up at least one of the missed weeks, but will contact you again when we are sure the pool is back in use.

Yours sincerely

Danielle Nossa
