

BRIT-LIONS FREQUENTLY ASKED QUESTIONS

Where is the club located?

The Brit-Lions practice and play on the amazing fields they constructed at John Oliver Park, 11590 Ladner Trunk Road in Delta.

What time and when is training?

During the season training is on Tuesdays and Thursdays and starts promptly at 6.45pm, which means you should be changed, stretched and ready to start your warm up with everyone else at that time. It usually concludes by 8.30pm.

Who can play?

The Brit-Lions have Men's, Women's and also boys and girls age grade teams. We cover all age groups.

Do we pay players?

No. The Brit-Lions Rugby Club is an amateur club, which means players pay to play, not the other way around. Playing Rugby for the Brit-Lions is purely for recreation. Your rewards come in non-monetary ways.

Do we find jobs or accommodation for players?

We cannot undertake to guarantee a job or somewhere to live, but we do have our contacts and if you're a Brit-Lion's player who is in need of work or accommodation we will try to see what we can do.

Why do I have to pay to play Rugby?

Rugby at club level is a user-pays recreation, the same as playing hockey, soccer or any other sport that requires facilities and support infrastructure. That said Rugby at the Brit-Lions is subsidized by the unpaid work of rugby-loving volunteers.

I've never played Rugby. Will I be welcome?

Everyone is welcome. If you're fast and nimble, chunky and slow or tall and gangly you will fit right in. Rugby is a team sport and every player has a part to play.

We have coaches who will teach you the game and if you give it a try you will get a great deal of enjoyment out of the game and the friendships that you will make.

Give it a go!
