

Leave a Legacy

Make a bequest to Community Connections and create a personal legacy that endures forever.

Legacy Giving is an impactful way to make a lasting difference. By including Community Connections in your estate plan or will, you can sustain our mission far into the future, even after your lifetime.

Creating a will ensures that your assets are directed in a way that reflects your values, supports your loved ones and most cherished causes, and leaves an indelible mark for generations to come.

Your bequest to Community Connections will secure our future and fuel our ongoing efforts to help individuals with disabilities in Southwest Colorado thrive.
