

Parents of Pre-K 3, Pre-K 4 and Kindergarten,

All students are required to have a sleep mat for school. Mats will no longer be sold through school. If you already have a school purchased mat from a previous year, your child may use it.

If buying a mat, it should be a cloth mat with a pillow attached and preferably a blanket too. Local store such as Walmart sell these types of mats. If it is not available in the store then you can find the mats on their websites.

Please make sure that the mat is labeled with your child's name before sending it to school.
