Weather: Sunny Hi 40s

Quite a day for many reasons. Nice November weather 40s and sunny with light winds after a short frost delay. The ageless one Minny wins by 1 over Dave Perry who made a guest appearance after many weeks basking in the sun in SC. Now for the highlights. On the 5th tee Dave retells the story of the shortest tee shot in DGA history when Bruce drills his tee shot off one of the forward markers and it bounds all the way backwards across the 6th fairway. Dave says "some things you will always remember." Who knew that his story would foreshadow what would happen on 18. Dave and Minny were tied going into 18 - Dave steps up and hits a low screamer - it hits the first tree on the left dead center and flies 30 yards back behind the tee. Making it the second shortest tee shot in DGA history - you can't make this stuff up. Dave has a tough lie next to a bush but manages to advance it nicely. Min meanwhile shanks his 2nd shot into the junk on the right. He does find it and spend 3 minutes rolling it over until he is satisfied with the lie - then proceeds to hit it 5 yards. He hits his 4th across the fairway into the rough. Meanwhile Dave manages to hit his 4th shot into the trees on the left. Then carves a 4 iron through and off a couple of trees onto the right side of the green. Minny hits his 5th into the greenside bunker and hits his 6th shot to 15 feet. Dave just misses his approach putt and then misses the comeback one for an 8 while Min holes his for a 7 and a one-shot win. Phew!
