

RICARDO LARA
CALIFORNIA INSURANCE COMMISSIONER

NOTICE OF EXPORT LIST PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the California Insurance Commissioner will hold a public hearing, as set forth below, concerning the renewal of the export list in the surplus lines area:

November 22, 2022
10:00 a.m.
California Department of Insurance
TELEPHONIC PARTICIPATION ONLY*
Toll-Free Telephone Number: 877-226-8189
Passcode number: 6170437

Participants will be given instructions on how to provide testimony once they have accessed the hearing. The hearing will continue on the date noted above until all testimony is submitted or until 5:00 p.m., whichever is earlier.

ACCESS TO TELEPHONIC CONFERENCE CALL

This hearing will be open to the public. To aid the Department of Insurance (CDI) in managing testimony and participation, we request that you RSVP as soon as possible, on or before November 8, 2022, by providing your name(s), the name of the organization you represent, and your contact information, including the email address of each attendee to ExportListHearing@insurance.ca.gov. An RSVP is not required to attend the telephonic conference and all attendees are invited to participate regardless of an RSVP.

The telephonic conference to be used for the public hearing is accessible to persons with mobility impairment. Persons with sight or hearing impairments are requested to notify ExportListHearing@insurance.ca.gov in order to make specific arrangements.

EXPORT LIST

Pursuant to California Insurance Code (CIC) §1763.1, the Commissioner by order, may declare permissible for placement for a California home state insured with a non-admitted insurer and exempt from all the requirements of §1763, except the filing of a confidential written report, any type of insurance coverage or risk for which he or she finds, after a public hearing, that there is not a reasonable or adequate market among admitted insurers or that the type of coverage is for new, innovative products for which a reasonable or adequate market among admitted insurers has not had time to develop. (Cal. Ins. Code § 1763.1, subd. (a).)

RENEWAL

Pursuant to CIC §1763.1, a public hearing shall be held annually regarding the export list. The current export list is attached. The above noticed hearing is being set to take testimony on the export list to see if any items should be added or removed.

In preparing your comments and/or testimony, please be aware that items not appearing on this list will still be exportable but subject to the full documentation of the search performed pursuant to CIC §1763.

HEARING AND WRITTEN TESTIMONY

This hearing is public and interested parties may testify as time permits. The hearing will be structured with time and place priority afforded to those who sign up in advance to speak. If you wish to sign up in advance to speak, please submit your written request to ExportListHearing@insurance.ca.gov by November 8, 2022.

Based on suggestions received in response to CDI's September 22, 2022, Pre-Hearing Notice, there is a possibility that there may be requests to add the following products, and/or variations, to the Export List (worded as suggested):

- Commercial Terrorism Coverage
- Cyber Liability
- Director & Officer Liability
- First-Dollar, Economic Loss Parametric Earthquake Gap Coverage (no physical damage requirement)
- Pandemic Protection Insurance
- Private, Non-Excess, Residential Flood Insurance
- SIDE-A Coverage
- Technology E&O

Please be aware that in order for the Commissioner to consider adding a risk or coverage to the export list, the Commissioner must have evidence that there is not an adequate or reasonable market for the risk or coverage in the admitted market or that the type of coverage is for new, innovative products for which a reasonable or adequate market among admitted insurers has not had time to develop. Submission of a statement simply requesting a risk or coverage to be added to the list without other supporting evidence of the lack of an adequate or reasonable admitted market or that the type of coverage is for new, innovative insurance products for which a reasonable or adequate market among admitted insurers has not had time to develop will not be enough for the Commissioner to add a risk or coverage to the list.

All written testimony, comments, or documents must be sent to CDI via email and received by CDI at the email address below, no later than 5:00 p.m. on November 22, 2022. All written testimony received at the hearing will be considered part of the hearing record. CDI will not accept any written testimony, comments, or documents which are transmitted to it by facsimile.

Please direct any questions regarding this notice, opportunities to testify, and written submissions for the record, to: ExportListHearing@insurance.ca.gov.

* If the manner in which the hearing will be conducted changes, CDI will send a notice regarding the change(s) in advance of the hearing.

DATED: October 20, 2022.
