

**MH-Indirect Base Up (IBU)  
With HID Remote Ballast**

The **MH-IBU** fixture lights a facility evenly from ceiling to floor, this unique one-piece base up fixture eliminates annoying glare and shadows. Its dynamic shape reflects light at specific angles producing more light at floor levels. Ideal for lighting sports, retail, manufacturing, commercial, and industrial facilities with white ceiling heights from 12-50 feet.

**Description**

- Indirect aluminum fixture pre-wired and assembled for Metal Halide Base up lamps.
- Indirect opening 25" diameter with a 30 degree smooth reflecting inner surface and a 5" deep by 9" diameter bottom neck for precise bulb placement.
- Fixture Painted: high temperature polyester powder coating; gloss white.
- Includes pendent and 4" ball box cover.
