

COMFORT CRITTERS

For those times when a child needs a little Tenderness, Caring, and Security in a world they don't understand.

Local Fire, EMS and Law Enforcement agencies have agreed to let us place Comfort Critters in each emergency vehicle.

Why?

As Adults, we sometimes have a difficult time understanding the events that shape our lives. How much more confusing and traumatic are these events to a child: An ambulance ride, a fire, a lost child or even a child removed from an unsafe living situation. Any of these events can be less traumatic if the child has something to hug and regain Comfort and Security.

Most often, a child is found, confused and afraid with nothing other than the clothes they are wearing. To help them calm down and ease their minds, a **Comfort Critter** will be offered.

How Can You Help?

Starting this week and continuing through 2021, we are asking **YOU** to donate unsold, overstocked, out of season, new, clean plush animals to be **Comfort Critters**.

All **Comfort Critters** will be prayed over before going out to the children. Also, when possible; the officers, EMS, Fire Departments and vehicles will be prayed over when they accept the **Comfort Critters**.

The events of this past year and COVID restrictions have added stress and confusion to our daily lives and the children are the ones who suffer. Let's work together as a community to help provide some Love, Security and Compassion for these hurting and confused children.

TOGETHER – WE CAN MAKE A DIFFERENCE.

To donate or for more information on how you can help, contact:
