September 7, 2018

Dear Families,

It was such a pleasure to share the blessings of Christ with students in Grades 1-8 at our Opening Day School Mass on Thursday. Celebrating the Mass was Fr. Sanders, with Fr. Adam as concelebrant. Also in attendance was Deacon Motyka. Making it more special was when Fr. Sanders welcomed all the new students, asking them to stand and be recognized, to a church full of applause. After Mass, the middle school students offered the gifts they made to the elementary students. These gifts were in the form of beaded lizards (namely, "Leo the Listening Lizard") with attached notes that they created under the guidance of Mrs. Crowley and the middle school teachers. Listening is the first skill of fifteen that all the children will be learning about and practicing as part of the Discipline with Purpose program the school has adopted. The Kindergarteners and Preschoolers will be given their lizards soon!

Thank you to all the parents, faculty and staff who joined us at the Back-to-School nights this week. Special thanks go to Fr. Sanders and Fr. Adam for attending these information packed evenings. I hope parents were able to learn about the classroom procedures and expectations of your child/ren's teacher(s). Appreciation is also extended to Ms. DiCola for preparing presentations on EDGE, our student platform for grading and report cards.

If you were not able to meet with Mrs. Hughes or Mrs. Castiglione for your CORI and/or Safe Environment Training, please call them at their respective campuses. We are making a concerted effort to have everyone complete this process by the end of the month.

Lastly, the students from Bay Path sponsored by The Lion's Club began height and weight checks, as well as hearing screenings on the students this week. These screenings will continue into next week. Thank you to Mrs. Tremblay and Mrs. Cronin, our school nurses, for helping out with this!

Yours in Christ,

Joan E. Matys

Joan E. Matys, M.Ed.
