Bob Rawlins
Christopher Sinick
Mike Sweet
Scott Tuchek

MISSION STATEMENT:

*The Medina City Schools
Foundation advocates
excellence in education by
funding programming and
scholarships in
collaboration with the
Medina City Schools*

Did you know that the Medina City Schools Foundation invests nearly \$80,000.00 each year into innovative classroom projects, ongoing student support programs and scholarships? How is this all possible? Because of the generosity of our private donors and corporate sponsors such as yourself!

One way you can continue to help the Foundation keep these great programs is to consider supporting the **2021 Run.4.Fun**. One of the Foundation's largest fundraising events, this year's race will be held **Friday, May 7, 2021** at Medina High School at 7PM.

Our levels of support are:

Pacer - \$250.00 Sponsorship

- Name recognition only on back of race day T-shirts
- Recognition on our website and Facebook page

Going the Distance - \$500.00 Sponsorship

In addition to all of the above...

- Small company logo with company name on race day T-shirts, registration form and posters

Co-Title Sponsors - \$750 (non-exclusive Title)

In addition to all of the above...

- Prominent listing with large company logo including company name on race day T-shirts, promotional material, newsletters, emails, brochures
- Signal the start of the race by shooting off air horn
- Hand out medals to race winners
- Recognized as Title sponsor throughout the race

With your support, we are sure that the **2021 Run.4.Fun** will be another success. Please make checks payable to the Medina City Schools Foundation and send to the address at the bottom. We would appreciate your donation by April 7, 2021.

Should you have any questions, please contact 330-618-1307 (Mike Sweet) or email info@medinacityschoolsfoundation.org. Thank you for your consideration!

Sincerely,

Medina City Schools Foundation
