

Ashtead All Stars 2020-2021 Update No.5

Sunday 25th October 2020

Dear all,

We have reached half term, and I am delighted to say that we have managed to provide a full schedule of training and matches for everyone. Obviously there have been a few covid related changes, but largely the netball club has been a place where we have had a little bit of normality. Thank you to everyone who has helped to make this happen, and of course thank you to all the girls who always turn up with a smile and lots of energy and make it a pleasure for us to coach them.

We finish the half term with some great results from a weekend full of netball. The forecast was poor but somehow we managed to play all scheduled matches with nothing more than a drizzle.

Junior Matches v Waverley Vipers and Magic

Thank you to:

- Our junior umpires, Lily and Josephine
- The parents who helped with the spectator lists for contact tracing
- The parents who helped score today
