Exit (down) at US Highway 80 onto the service road that leads to Atlanta Highway. Move over one lane and follow the sign to US Highway 231 North, circling back under US Highway 231. Off to the right, you can see the MAX FCU, a large, multi-storied, blue windowed building north of the Eastdale Shopping Center. After Yielding, move over one lane (into the center lane) and in a short block distance turn right and then immediately right again into the parking lot of the Credit Union. Directional "SAR" signs will be posted in the area of the Credit Union.

- Travel I-65 South to I-85 North, beyond the Northern Blvd/Bypass exit. Travel I-85 North to the East Blvd (Eastern Bypass) Exit #6 (exit to the right, staying in the left of the two lanes) and go north on US Highway 231. Travel approximately 1.5 miles on US Highway 231 North and exit to the right at the sign for Service Road/Wares Ferry Road. Off to the right, you can see the MAX FCU, a large, multi-storied, blue windowed building north of the Eastdale Shopping Center. Carefully move over two lanes (to the center lane) at the bottom of the hill and in a short block distance turn right and then immediately right again into the parking lot of the Credit Union. Directional "SAR" signs will be posted in the area of the Credit Union.
