

3RD TEMPLE COUNTDOWN II

PROPHETIC RESTORATIONS - JERUSALEM AS THE FOCAL POINT

This illustration suggests that there are prophetic 'events' and/or time markers that are allowing for the eventual construction of the 3rd Temple in Israel. This study suggests that these stepping-stones are a factor of mathematical subject to Biblical prophecy. This theory can be applied to the possible coming event that will lead to the building of the 3rd Temple on the *Temple Mount* in Jerusalem. Using the same template of the *phi ratio* or *Golden Section*, the prophetic pattern from the restoration of Israel in 1948 is striking and a possible clue or pattern. The suggested timeline presented has the 2 known geo-political markers or 'signs' that have already occurred. Those would be the establishment of the nation of Israel 'birthed' in 1 day on May 14, 1948. The 2nd 'sign' would be the recapturing of the Old City of Jerusalem in the 6-Day War. This allowed for the acquisition of the *Temple Mount*. These 'events' were stepping-stones that had not occurred since 70 AD and coincidentally 1948 years from 70 AD will be 2018, the 70th anniversary of Israel's birth. If the *phi ratio* spiral graphic is superimposed onto the timeline since 1948, the exact fulcrum of the spiral converges on the 6-Day War time period of 1967. If this mathematical template is extrapolated to triangulate the 3rd time on the timeline, it corresponds to approximately sometime after 2018. Thus are these Biblical prophetic 'signatures' suggesting that the 3rd Temple 'event' is now within the season? Of course this is at best an educated guess based on a mathematical extrapolation of time. However there are some unique mathematical variables leading-up to 2018 that appear to be a segment within the timeline of a coming convergence.

Many believe that the original *Ark of the Covenant* will be unveiled according to its timing as it will be mutually inclusive of the 3rd Temple's need to be constructed. The question of this illustration is, will such a place and time be subject to any mathematical correspondences, a *Golden Section* of time and/or measurement even? Most likely yes.

Can it be that the timelines that are apparently converging in 2018 are suggesting an 'event' that will lead-up to the eventual edification of the 3rd Temple? Will a 'King' also appear to coincide with this Temple being raised and from where he will sit from? There is only one place in the Temple that was designed for anybody to sit in, the *Ark of the Covenant*. Nowhere else was there any provision to have the Priestly Servants 'sit' in either the outer court of the Tabernacle and Temples or the *Holies*. The Temple was not designed for 'sitting' but for service which meant that there was no time for the rotating Priests in service to 'rest' or 'sit'. The *Ark of the Covenant* was the only piece of furniture that represented the *Throne Chair* of the Creator in Heaven.

Whatever the outcome, it is very prophetic to be alive at the threshold of the 70th year anniversary of Israel's birth as it is the center-piece of YHWH's prophetic clock concerning the 'time' Earth has regarding the plan of salvation as found in its true Messiah, Jesus Christ. It is after all Jesus of which prophecy was, is and will be patterned after and fulfilled according to Revelation 19:10. It will be from that conclusion of prophecy that will cease as 'time' will cease itself as all things are consummated in Jesus and for Jesus.

Who will the coming 'King' be? To Christians, it will be the AntiChrist. To the Jews, it will be their Messiah whom they will except because for one thing, he will allow for the 3rd Temple to be built and for the Daily Sacrifices to commence. Many are convinced that these provisions will be part of the 'Confirming of the Covenant' with the 'Many'. Ultimately, this 3rd Temple will be the one that will be defiled by the *Abomination of Desolation* that Jesus warned Israel about concerning the fulfillment of the prophecy given to Daniel. This 'Abomination' will consist of an idol being setup. Eventually Lucifer by way of the possessed AntiChrist that will sit literally and physically on the Ark of the Covenant that will be placed in the *Holy of Holies* in the 3rd Temple in Jerusalem.
