Street Light Problems?

Contact Macomb Township Clerk's Office at 586-992-0710 to report any problems. You can reference the light pole number (located at the base of the pole) for the most accurate description. The Township will issue a work order to fix malfunctioning streetlights, so let them know as soon as possible to get the problems fixed quickly. Thanks!

Reminder!

Now that the warm weather is upon us it's time to take down holiday decorations!
