

# **The Effective Board of Directors**

Effective governance is an important key to building a successful organization. In this session, Chuck Ewart leads an interactive discussion on what governance structure is best appropriate for the organization... and how the Board and staff can more effectively execute the program of work and the strategic plan. (45 -60 minutes)

## **Some of the topics covered in this workshop include:**

- The Role and Responsibilities of the Board
- Enhancing the Governance Structure
- Finding and Attracting the Best Volunteer Leadership
- Getting the Board Involved and Engaged
- Board of Directors Job Descriptions
- The Board Orientation
