The estates of Fèlsina, developed over more than a thousand years, yet remains the same... Fèlsina, while centered on wine and olive oil, holds a profound responsibility not only to the vineyards it runs, but to preserve the ecosystem and natural environment.

Ruby red with deep intensity and hue. Fruity, fine and elegant aromas dominated by wild berries, along with array of spicy notes. Fruity on the palate with good tannins and a lingering finish.

With 23 acres of vineyards, our wine is a reflection of sustainable farming practices as well as traditional wine making methods.

Pennyroyal Farm is committed to sustainability and modern farming practices. The trellis is the modern "V-top" that Navarro has used for all new or replanted fields in the last decade, so the entire vineyard is capable of being weeded and suckered by Babydoll sheep.

Silky tannins, hint of smoke, and wonderful aromas of peppercorn,

"A country man or woman; peasant; clown; in a country fashion."

Le P'tit Paysan comes to life in Vineyards capable of producing only the most idiosyncratic wines. This is farm land, desolate hills, and solitude with hard depleted soils, and intense sunlight tempered only by the coastal breeze.

Cold fermented in stainless steel for aromatic intensity. Citrus blossom and crushed seashell aromas, elegant texture and bright acidity.

JOSEPH JEWELL

This classic Russian River Valley Pinot Noir comes from a vineyard in the Green Valley, just north of Sebastopol, where Brice Cutrer Jones converted an apple orchard to Pinot Noir vines. The fruit from Hallberg vineyard produces world-class Pinot Noirs from Gary Farrell and Emeritus.

A cool climate Pinot with a plush, satin core lined in detailed blackberry, cigar box, black tea and touches of spice; aromas of bright raspberry, spice, ripe dark cherries and tart cranberries, supple tannins and cherry cola.

Gilles makes his upper cuvée of Crozes with careful choice of fruit from his best areas and oldest vines, “Cuvée Alberic Bouvet” – named after the producer’s grandfather who planted the vineyard back in 1946.

Ruby red in color, this wine offers aromas of black fruits on the first impression -- blackcurrant, blackberry and jammy red fruits, followed by notes of leather and tobacco plus subtle woody notes of toast and smoke.

The primary component of this blend comes from a 2.9 acre block, planted in 1998 to three selections of Grenache Noir, using budwood originally obtained from Tablas Creek and Alban Vineyards. These selections, originally from Châteauneuf-du-Pape give darker color and better structure than the majority of Grenache planted in California.

A nose of black plum and blueberry. Nice, dry plum fruit flavor with a slight mid and side tongue tannin. Bits of smokiness on the finish with some spice coming on midway thru the finish.

De Alberto Winery is located in a Spanish town 25 km away from Valladolid, Embedded in an old farming house founded by the order of the Dominicans in the 17th century. Its underground galleries with its large barrel vaults made of brick have more than 1 km. length, forming a labyrinth of the Serrada underground.

Dry and fruity; straw yellow in color with good intensity on the nose where fruit aromas with hay tones and anise
