

I AM WITH YOU!

As this week begins, purpose in your heart to remember “He is with you.” When things get nutty, or take a turn you don’t like- stop and say, “I know You are with me.” When the enemy tries to twist things to give you the view he wants you to see, stop and say, “God is with me.”

Friend- there is nothing in the enemies stupid bag of tricks that can overpower the promises of a God for your life. You control what you think on. You control how much power the enemy has over your thoughts.

Thoughts only give give birth to actions when you let them. Jesus is your example in all things. When the enemy came at Jesus (the three recorded events) each one involved a direct challenge to the Word of God. Jesus knew how to respond because HE was the WORD. Each time He responded, “It is written. It is written. It is written.”

When you are speaking the Word of God, your words have power. The more Bible you know, the more wisdom you have, and the easier it will be to overcome. Whatever difficulties you may face, whatever storms may threaten, the Lord is saying, "Take courage! I AM with you." Hold fast to this truth and you can overcome anything!

Only God knows everything, therefore only God is able to understand why things go down the way they do in life. However, you need to trust HIM that He will work it out. That's what real faith looks like, and it's the one thing that will get you through life's seasons of suffering and uncertainty.

You may never know exactly why God allows some things in your life, but the key to get through it is this--- God is greater than everything in this life, including your trials....don't let circumstances override His truth!

Have a fabulous Week!
