Net Cash, End of Period*	\$43,168.47													100.0%

* Current month net cash may be misleading because of the timing of dues deposits, receipt of invoices, and payment checks issued. This summary assumes all dues are paid in the month shown. A large net cash value is necessary early in the year to offset the losses incurred during the summer months when expenses exceed income.
Note: The \$2,500 expense for landscaping was for work budgeted for Dec 2024 but was not performed until Jan 2025.
