

CLARK AND SMITH NAMED TO SHRINE BOWL TEAM

Playbacks and Predictions

By DON KNEPPER

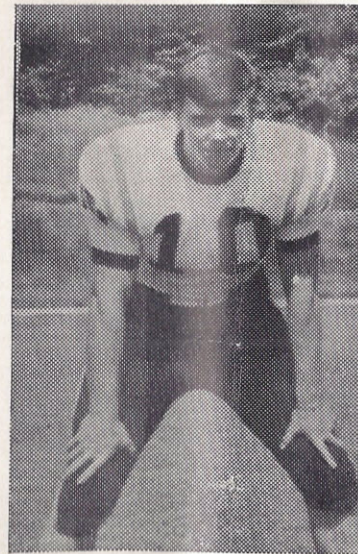

With the end of the 1964 football season quickly drawing near, a sport's season goes with it that will not be easily forgotten. This year the Jackets showed everyone that they could play in the Central 4-A and win. The Jackets showed everybody that they were not beaten until the final horn was blown. This was shown in the final minutes of the Grimsley game.

The Jackets have experienced more injuries this year than in many past years totaled together. Lost to the team at various times were Jimmy Clark, Gary Cope, Dan Spears, and Donnie Knepper. Most of these injuries came at times which most certainly cost us the conference championship.

The Gray game will mark the final game that will be played by the Seniors for L.S.H.S. These boys have revealed the promise they showed two years ago on the JV team. The graduating seniors are: Reid Rhodes, Hayes Jones, Tom Cannon, Larry Johnson, Gene Leonard, Bucky Buckner, Donnie Knepper, Steve Smith (captain), Ken Yearick, Jimmy Philpott, Martin Sicheloff, Jim Clark, Gary Cope, Dan Spears, Bob Snider, Robert Woodle, Robin Beck, Ronnie McKinney, Ted White, Bill Swaim, George Chambless, and Dan Jones.

The outlook for next year's team, although not as many seniors will be returning as this year, looks very promising. With experienced fellows like Chris Ripple, Jim Johnson, and Bill Walters, the Jackets should fare well.

With basketball and wrestling rapidly approaching, the winter sports outlook is bright. Basketball will see the return of Jim Philpott, Hayes Jones, and Dan Spears. Wrestling will find experienced men like Gerald Lineberger, Bill Parks, Gary Cope, Steve Everhart, and Bucky Buckner. Winter sports look good for L.S.H.S.

Two fine football players, Jimmy Clark and Steve Smith, have been elected to the Shrine Bowl squad. Steve Smith was captain for the Yellow Jackets and played tackle. Jimmy Clark played half-back and defensive safety for Lexington. Clark has been out with an appendectomy but is expected to be able to play by December 5, the date of the game. They were picked along with 31 other outstanding players over the state. The game will be played in Charlotte against the best football players from South Carolina. Lexington is one of six teams honored with two players picked from their team. The game is a benefit game for crippled children.
