

NATIONAL DRESSAGE PONY CUP SPONSORSHIP OPPORTUNITIES

COME GROW WITH US!

The National Dressage Pony Cup was founded in 2007 to promote and enhance opportunities for Ponies and Small Horses in the sport of dressage.

The NDPC family of competitors is comprised of a diverse group of, intelligent and dedicated families and individuals from both urban and rural communities. They reside in all parts of the United States and Canada.

Our competitors own, ride, train and breed Ponies and Small Horses of every type and kind imaginable; from Native American Mustangs to European imported Dressage Ponies. The excitement and enthusiasm of these equestrian athletes for their Ponies, Small Horses, and dressage is infectious. The atmosphere at the NDPC Annual Show is vibrant and upbeat.

Our members are interested, curious, and open to new and exciting opportunities. The NDPC family values innovation, creativity, and is loyal to brands that support their efforts and improve their lives. Please consider sharing your brand or service with our vibrant, growing community.
