

Dear Prospective Teachers,

The Cumberland Street Law Program will be in full swing starting the week of September 12th through the week of October 17th. We are glad to be able to offer to you the opportunity to work with our Cumberland Law students.

Cumberland Street Law is a program sponsored by the Alabama Center for Law and Civic Education in conjunction with the Cumberland Public Interest Program. We have served students for more than 20 years. The curriculum is dedicated to helping young people build the skills and resources they need to make good decisions and to become responsible, law-abiding citizens. Street law is also committed to preventing juvenile delinquency by teaching kids about the law as it applies to them and by helping kids develop problem-solving skills. The following lesson topics are planned for this fall.

The Law and Juvenile Justice

Family Law: The Parent-Child Relationship and Abuse vs. Neglect

Drugs and Alcohol

Weapons, Guns, and Fireworks

Criminal Offenses and Bullying

Technology and Cyber Bullying

If you and/or a colleague would like to participate this year, please complete the attached form. Please respond no later than Friday, August 26th.
