ADVENT 2025

Watching and Waiting

Midweek 1 *"Watching for the Dawn"*

The faithful wait in darkness for the promised Light.

Advent begins in darkness. God calls His people to awaken, for the Light approaches. Waiting becomes an act of faith that trusts the promise of dawn.

Midweek 2 *"Waiting in the Wilderness"*

God shapes His waiting people through repentance and renewal.

John's voice pierces the wilderness, calling sinners to repentance. God meets His people where they are lost and makes the waiting a place of cleansing and hope.

Midweek 3 *"Waiting with Hope"*

The promise is near; God's faithfulness fulfills what He has spoken.

Mary's faithful waiting embodies the Church's hope. In her "Let it be," we hear the Amen of God's promises fulfilled in Christ.

Please join us for our Advent midweek services on Wednesday, December 3rd, 10th and 17th as we watch and wait for the Promise fulfilled.

Advent and Christmas blessings to you,
Pastor
