About the Seminar

The Spring 2019 Urology Seminar provides current information on assessing, diagnosing, and treating common urologic conditions in the clinical setting. Topics are selected based on feedback from prior seminar participants. Participants can expect to take away practical pearls from the seminar into their daily clinical practice.

Who Should Attend

This seminar is designed for nurses, nurse practitioners, physician assistants, medical assistants, and other health care professionals who encounter patients with urologic health issues.

Accreditation Statement

The activity has been submitted to American Nephrology Nurses' Association for approval to award contact hours. American Nephrology Nurses' Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Program Goals

- Provide information regarding current urology topics and new research.
- Provide an opportunity for networking with other seminar attendees and exhibitors.
