

Power of Truth

The enemy knows what to use against you. If he can deceive you, he's got you. Deception can occur through what is currently happening to you or through things that have previously happened to you.

If you know where you struggle, you better believe he knows where you struggle. It's so simple, yet crafty in so many ways. The enemy will intentionally bring deception into your life by using those very things in your life against you.

Hear this:

“We are reaching a season in the purposes of God where deception has become a bigger key player in the lives of saints. Since the beginning of time God's eternal plans and purposes involve mankind, and enemies focus is on tearing individuals apart through deception.”

Deception comes in so many ways and not one person is above falling to its wily ways. Honestly, the list is endless as to where one can be deceived and we all know many who have fallen to deceptions way. Opposition to truth is nothing new.

I've said this before and I am going to say it again. There are no good or evil people. There are just those who know the truth and those who do walk in the truth. Why? Because they fear the truth or they believed a lie they thought was true.

"Walking in Truth" is a matter of choice. In Psalm 119:30, the Psalmist said - "I have chosen the way of truth..." It requires a constant dependency on the grace and power of God. Others can walk in what they want, but we must make daily choices to walk in the truth regardless. The truth liberates us from doubts, illusions, and fears.

The battle between good and evil is really a battle between truth and deception. When we live with lies, we are living below the life God intended for us.

Jesus Christ declared and proclaimed, the Evil One works to undermine it and sow seeds of deception and He actually called him the father of lies (John 8:44). The enemy speaks from his nature which is that of a liar and a murderer. He actively uses lies to foster his deceptions, even disguising himself as an angel of light (2 Corinthians 11:14).

The enemy is using the wounded areas within our souls as a form of control and oppression against us. I firmly believe that every assignment against you starts with deception. Friends, the fall of mankind started with deception and the enemy has been using it ever since

(Genesis 3:-7). Every aspect of our lives is affected by “the fall” and by the sin that “the fall” introduced to the world through it’s deceptive ways.

How many times have you repeated a lie about yourself?

I can’t do this.

This is too hard.

No one understands me.

It has to be me! I had to do something wrong because I always do.

Why bother trying I am only going to screw it up.

I probably made the wrong choice again.

The key to "walking in truth" is getting the truth inside of you as it is illuminated by the witnessing of His Spirit. Jesus tells his disciples that it is the role of the Holy Spirit to reveal what is true. Holy Spirit always guides us to the truth.

"I have yet many things to say to you, but you cannot bear them now. When the Spirit of truth comes, he will guide you into all the truth; for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come. He will glorify me, for he will take what is mine and declare it to you. All that the Father has is mine; therefore I said that he will take what is mine and declare it to you" (John 16:12-15).

God's Word is truth. We have his promise that if we continue in His Word, we are not only his disciples but, we shall the know the truth, and the truth shall make us free (John 8:31-32).
