To the Board of Directors
Pronto of Long Island, Inc.
128 Pine Aire Drive
Bay Shore, NY 11706

To The Directors:

I have audited the accompanying statements of financial position of Pronto of Long Island, Inc, a not-for-profit corporation, "the Organization", as of December 31, 2016 and 2015 and the related statements of activities, functional expenses and cash flows for the years then ended and the notes to the financial statements.

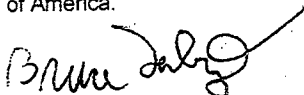

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United State of America: these include the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

My responsibility is to express an opinion on the financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. These Standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An Audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2016 and 2015 and the related results of its activities for the years ended December 31, 2016 and 2015 and cash flows for the years ended December 31, 2016 and 2015 in conformity with generally accepted accounting principles in the United States of America.
