Discipline

It is very important to the staff that the children have fun while they are with the program, but we also expect the children to be respectful of authority and cooperate with us for their safety and the safety of all students and staff. The staff depends on each child's parent/guardian to impress upon their child the necessity of good behavior. Staff will communicate with the parent/guardian of any behavior problem. If problem persists the parent/guardian will be contacted and child will be expelled from the program immediately. No refunds will be issued.
