

## **Letter to the Editor**

Can I start by congratulating ENOTDS for so expertly dealing with the problems encountered during the coronavirus crisis? The membership has been kept informed with news and helpful advice, via the ENOTDS website {with a Facebook link} and in the Newsletter.

I'm certainly missing dancing and running my club, but with this extraordinary pandemic situation it's the wellbeing, care and safety of everyone that really matters. I think holding any dance, dancing holiday, AGM or social gathering at this time is irresponsible.

Let's hope it's soon possible to get back together dancing and socialising - but only when it's safe to do so.

Chris Everitt

Abbots Langley Old Time Dance Club
