Our local guide will join us for some local sightseeing in Geneva before we continue to a very special place. Whether strolling its flower filled gardens or touring the magnificent mansion, **Sonnenberg Gardens and Mansion State Historic Park** is a very special place. Sonnenberg is a gift to the community from Frederick Ferris and Mary Clark Thompson, a couple of the *Gilded Age* who created Sonnenberg as their Victorian summer home. It is one of the few Country Place Era Estates remaining in the United States. It is distinctive for its extraordinary collections of period architecture, garden statuary, a Japanese Garden and Teahouse and a Lord and Burnham Greenhouse complex. Independent lunch at the Market Café at Wegman's Grocery. We'll continue to the Arbor Hill Winery where the owner presents the history of the area grape industry with a tasting of local wine and cheeses. A stop in the town of Canandaigua at a candy shop where the owner boards our motorcoach and talks about chocolate and the process of making the chocolate. Samples are available. Dinner tonight at the New York Kitchen where the chef will offer demonstrations. Meals: B, D

His Victorian home and his life will prove very interesting! Next visit Willard Chapel, the only Tiffany Chapel to exist. Louis Comfort Tiffany's works within include 14 opalescent windows, a stained glass memorial window and several magnificent glass chandeliers. Dinner at Springside Inn.
