

## TRASH & RECYCLING INFO:

Trash removal is private in Heathstone and not a service provided by Hillsborough Township. Recycling however is provided by Somerset County Recycling.

Pick-up is twice per week – Tuesdays and Fridays. Unit owners should place their garbage and/or recycling cans curbside prior to pick-up, but no earlier than 7:00 pm the day before. Bins **MUST BE TAKEN BACK IN THE SAME DAY** as trash pick-up.

Unit owners may not use clubhouse or condominium dumpsters for their refuse without prior permission from Management.

To schedule a bulk pick-up, contact Republic Services at 908-323-9378. You can expect a charge for this service. If they do not charge you over the phone and there is a charge on the next Association bill, you will be charged back for their fee.

Recycling: Recycling is, of course, mandatory as required by NJ law. During windy days or storms, if you cannot wait until next pick-up, you **MUST** weigh down your recyclables. You can do this by simply filling up some of the bigger plastic bottles you may have in your bin with water. During snow season, bins may never be left on the streets when plowing is a possibility.

I was told by Somerset County Recycling that you may pick up a recycling bin at the Hillsborough Dept. of Public Works. Their info is below. Check out the website at: <https://www.co.somerset.nj.us/government/public-works/recycling>
