

The Ohio Pastel Artists League presents . . .

Dawn Emerson, Master Panelist Hands-On Workshop

Saturday, November 4, 2023 • 11:00 am to 3:00 pm
at Old Worthington Library, 820 High St, Worthington, OH

This is a technique and information 4 hour seminar/workshop. The goal is to have fun and learn through play. We will learn what pan pastels are; not what there are not.

Dawn will send references beforehand for people to print out ahead of time. “We will work from the same images; learning the techniques, but we will be amazed at how different and original the finished pieces will look” says Dawn.

We will have a group discussion toward the end of the workshop with us showing each other and Dawn what we have created.

Workshop Notes: In an effort to offer an affordable workshop to our members the OPAL Board will have Dawn Emerson join us live via Zoom from Oregon. The board will purchase the pan pastels & sponges and participants will be seated in classroom style seating with these supplies between two artists to share. If any participant has any supplies they are willing to share from your mass collection of art supplies please let us know. (supply list in a separate document)

Space is limited (14 seats) to allow for our group discussion at the end of the day.
