

**Seneca Valley Cluster Report
February 2018**

- Testified on Jan 10th to BOE with focus on CTE and adding IBMYP 9th and 10th
- Follow up email to schools still missing documents on SOCA for MDPTA
- meeting with Lake Seneca ES to review expectations and plan for compliance for audits, taxes, budgets, dues, charitable org reg
- meeting scheduled with Waters Landing in two weeks to get books in order
- asked cluster elems about meeting the needs of highly able students as parents are reporting inconsistency across county as to what each school does to insure these students have curriculum at their level
- coordinated cluster wide SRO appreciation day
- notified about county plans to potentially address road safety issues around Middlebrook and Crystal Rock (yet another student was hit by a car this month)

Sincerely,
Melissa Regan
Cluster Coordinator
