

## CAPABILITY STATEMENT

### CORE COMPETENCIES

**Visionaire Consulting, LLC** is a certified minority and women-owned Trauma Recovery and IT Services Consulting company and in our more than 45 years of combined experience across various industries, our mission on each contract is to over deliver, and delight our clients through our accomplished service offerings. We are specialists in Rejection/Abandonment Trauma Recovery Training & Coaching, Project Delivery, Vendor Management, and overall Process Optimization, and the company you want to partner with when the highest class of quality is key and you desire a company that will be invested in helping you achieve success to the finish line and not just to the task.

### DIFFERENTIATORS

- Our mantra is: "Leave them better than we found them".
- We dive into the impacts and dependencies that most companies overlook.
- We are diversity personified from our executive team to our staff. We believe every team member has a gift that adds to our business success.
