A home inspection will be required before a power release is sent to the power company. If you had a private home inspection performed prior to purchasing the home, you may send that in with this application. Our inspector will review it and make a determination if it needs to be inspected further, or if it is clear to occupy.

Inspections will be performed the same day if applications are submitted by 9:00am. If submitted after 9:00am, the inspection will be performed the next day.

Upon inspection, the inspector may find that the home needs repairs or alterations before it can be cleared for occupancy. A second inspection will be performed after the repairs or alterations have been made, if the home is still not up to code after the second inspection a \$35.00 fee will be imposed. This fee is to be paid before another inspection.
