## Sunday ♦ Travel/Tattoo

This morning we begin our journey to Norfolk, Virginia to watch the International Military Tattoo. We'll enjoy a pre-show entertainment and have lunch at the Sheraton Norfolk, where we'll have time to meet and greet some of the Tattoo performers. Then from our premium reserved seats, we'll view the spectacular Tattoo - part parade, part theater, and sometimes, part circus. The Tattoo features military bands from all over the world along with their highly-skilled drill teams.

After this grand show of military splendor, we'll depart for Virginia Beach where we'll check into the Oceanfront Inn on Atlantic Ave . You will delight in the ocean breezes along the boardwalk this evening while you enjoy dinner on your own. (L)

## Monday ♦ Local Touring

This morning we'll enjoy a full included breakfast at our oceanfront hotel. Our full day begins with a narrated guided bus tour of the Norfolk Naval Station, home port to more than 80 ships of the Atlantic Fleet, and the world's largest naval installation. We'll pass by aircraft carriers, cruisers and destroyers, amphibious assault vessels and submarines. Historic homes built for the 1907 Jamestown Exposition are included on the 45-minute tour.

Later, we'll travel to the Virginia Military Aviation Museum where we'll enjoy lunch in the hangar surrounded by vintage aircraft as we're entertained by swing and jazz music of the Big Band Era.

TAT042819A.fly

As we tour the display of one of the largest collections of flying WWII military aircraft in the world, we'll hear stories of the contributions made to our country's freedom by the men and women who flew them and meet Rosie the Riveter too!

We'll also witness a private air show highlighting some of the vintage aircraft.

We'll end our day of touring with a Red, White and Blue Salute to America Dinner Cruise aboard the *Spirit of Norfolk*. (B, L, D)

## Tuesday ♦ Touring/Travel Home

We'll enjoy an included breakfast at our hotel this morning prior to checking out. Then we'll head for the Mariner's Museum in Norfolk, where we'll explore our country's maritime history. The remains of the Civil War ironclad USS Monitor is a must see. We'll have lunch here at the museum before continuing our journey home. (B, L)
